

Who we are

We are a community health center that offers comprehensive medical and dental care, lab, behavioral health, education, social services, and pharmacy for all area residents and the general public.

We offer affordable care in a local setting, while cooperating with area hospitals and specialists.

The Health Center is an independent, non-profit that is governed by board members who are patients and the Health Center answers directly to the patients.

Health Coaches

MASCOMA COMMUNITY HEALTHCARE, INC.

RIGHT CARE, RIGHT COST, RIGHT HERE!

Why was this organized?

- Higher medical costs – double digit increases annually
- 63% of the insurance in Mascoma Valley comes from employers and they are shifting their unaffordable costs to employees who can't afford the increases either
- More expensive deductibles, co-pays, and premium sharing for employees
- No insurance for many – 28% of Dorchester, 17% of Canaan and 14% of Grafton and 7% for both Orange and Enfield is still uninsured
- 13% unemployed in Dorchester and 9% in Canaan – any health insurance is unaffordable
- ACA Health Insurance Exchange policies that require \$5,000 deductibles to be “affordable”
- Long waits for appointments
- Repeat visits for the same illness
- Multiple visits for doctors, labs, drugs, and x-rays
- Un-coordinated care
- Doctors who aren't familiar with the patient, don't take the time to listen, and don't explain what's going on to the patient
- Fear about the future of health care

MASCOMA COMMUNITY HEALTHCARE, INC.

RIGHT CARE, RIGHT COST, RIGHT HERE!

Right Care. Right Cost. Right Here.

Mascoma Community Health Center thanks you for your donation. Your gift is making possible this local health center with medical, dental, behavioral health care and lab and prescription service that's affordable for all.

I am making the following gift to Mascoma Community Healthcare to be used for the operation of the new health center.

Amount I am contributing today _____

Additional Amount I am pledging to contribute by May 1st of 2018 _____

I am making a bequest in my will to Mascoma Community Healthcare. Please advise us of any information you would like about amount, conditions or contact information.

I would like to make this contribution in dedication to or in memory of _____.

Name: _____ Email Address: _____

Address: _____ Telephone: _____

Other comments and directions: _____

NOTES:

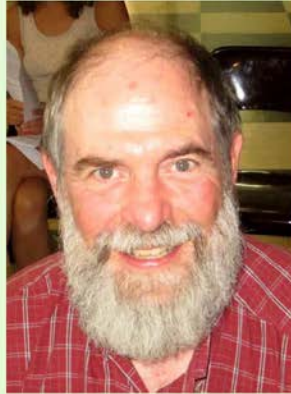

All gifts to Mascoma Community Healthcare, Inc. are tax deductible. Mascoma Community Healthcare, Inc. is a 501(c)(3) organization and a registered New Hampshire Charity. A copy of all registration documents is available. This organization is locally managed by prospective patients and is not part of a larger institution. **Checks must be made payable to Mascoma Community Healthcare, Inc.** and should be sent to PO Box 550, Canaan, NH 03741. Tax deduction receipts will be provided to every donor. Gifts may be made confidentially with the donor's name restricted from public access. Gifts may be made at any time, but our greatest need is to raise \$100,000 by December 31st, 2018. The donated money will be used for operating reserves when the health center is open. Much of the donated money will underwrite the cost of providing donated health and dental care to area residents.

**PLEASE COMPLETE AND MAIL TO MASCOMA COMMUNITY
HEALTHCARE AT PO BOX 550, CANAAN, NH 03741.**
