WHY SHOULD A SMALL BUSINESS CONSIDER THIS PROGRAM?

- It’s an affordable alternative to high cost, full coverage insurance.
- Offers an additional incentive over that of your competitors to attract and retain quality employees.
- Helps keep your employees healthy
  - Having a regular medical check-up and a dental exam and cleaning can help keep small problems from becoming bigger issues.
- Employees that are healthy and have healthy families generally
  - Have better attendance
  - Have better productivity
  - Increase the morale of the whole company.
- As a participating employer, the clinic will discount employer paid pre-employment physical screening and DOT exam by 25%.
- While you are the purchaser, there are a variety of ways that the employee can help cover the cost.
- You set the maximum amount you can afford.
- It’s a great deal. Every medical and Dental service offered by Mascoma Health Center is discounted by 25% under this plan.

WHAT’S IN IT FOR THE EMPLOYEE?

- They can afford to see a doctor or a dentist for routine needs.
- Costs will be less expensive than anywhere else in the Upper Valley.
- Even if they have their own health insurance, they can use the credit for dental work, or to stretch their out of pocket expenses for deductibles.

NOTES:

This plan only covers care provided by Mascoma Community Health Center.

There are additional optional benefits available through this plan for low cost prescriptions and vision discounts but they are not prepaid by this plan.

What can $750 a year get you for health care and dental care?

How about $1,000 in prepaid HEALTH & DENTAL care. Save $250!

IT’S PREPAID CARE, NOT INSURANCE!
CAN’T AFFORD HEALTH INSURANCE FOR YOUR BUSINESS?

For a pre-paid $750 per person per year the clinic will provide $1,000 of services to your employee!

- Your $750 is credited as $1,000 to the employee’s personal clinic account – essentially a 25% discount on all services listed to the left and right of this flyer.
- Employee can use for medical or dental or both, at the health center
- The credit does not lapse and will carry over to the next year
- You can provide your employee additional credit, in $750 pre-paid increments, or your employee can purchase additional credits through your account.
- You or your employee can also purchase $750 credits for your employee’s family members.

NOTES: All money paid by employers to their employee’s personal accounts at the health center remain on the employee’s account regardless of future employment status, do not lapse (no time limit by which services must be used), and are non-refundable to either the employer or the employee. When credit amounts are used up, the employee is responsible for paying the balance on account. The Small Business Healthcare Program is not insurance and does not take the place of traditional health insurance. Additional provisions and restrictions apply and are detailed on enrollment forms.
