Do you qualify for Sliding Fee Scale discounts?

To see if you might qualify for Sliding Fee Scale discounts:

- 1) First, find your Family Size (all adults and children living in your household);
- 2) Second, look across the columns to find your total yearly Family Income (income from all members of your household). At the top of that column is the discount you and your family may be eligible for;
- 3) Third, if you find you may qualify you must fill out a Sliding Fee Scale application and provide income information. The application is available at our office or by calling 523-4343. Staff members are available to assist you with your application.

Once you have been approved, the appropriate discount will be applied to the standard fee for any service you receive from that date forward. Discounts will not apply to any service provided before your approval date.

Sliding scale is available to anyone who lives in the towns of Canaan, Dorchester, Enfield, Grafton and Orange.

Mascoma Community Health Center reserves the right to modify these terms at any time. This was approved effective 2/1/2019.
